§ 720.301 Purpose and authority.

This subpart sets forth requirements for agency disabled veteran affirmative action programs (DVAAPs) designed to promote Federal employment and advancement opportunities for qualified disabled veterans. The regulations in this subpart are prescribed pursuant to responsibilities assigned to the Office of Personnel Management (OPM) under 38 U.S.C. 4214, and section 307 of the Civil Service Reform Act of 1978 (5 U.S.C. 3112).

§ 720.302 Definition.

As used in this subpart, the terms *veteran* and *disabled veteran* have the meanings given to these terms in title 38 of the United States Code.

§ 720.303 Agency programs.

(a) *Continuing Programs.* Each Department, agency, and instrumentality in the executive branch, including the U.S. Postal Service and the Postal Rate Commission, shall conduct a continuing affirmative program for the recruitment, hiring, placement, and advancement of disabled veterans.

(b) *Program Responsibility.* The head of each agency shall assign overall program responsibility to an appropriate agency official. The official so designated shall be at a high enough level to ensure effective program adminis-

tration and the devotion of adequate resources to the program.

(c) *Problem Analysis.* (1) Annually, OPM will provide appropriate data on the employment of disabled veterans to each agency participating in the Central Personnel Data File (CPDF). These data will be taken from CPDF. For DVAAP purposes, CPDF data are considered to be the official record of the status of disabled veteran employment within each participating agency. Each participating agency is responsible for assuring that such records are timely, accurate, and complete.

(2) CPDF data must be analyzed by participating agencies to identify problem areas and deficiencies in the employment and advancement of disabled veterans. (OPM will establish with each agency not participating in CPDF, the nature and extent of data to be used in identifying problems and deficiencies.) Based on this analysis, agencies shall develop methods to improve the recruitment, hiring, placement, and advancement of disabled veterans, or revise or redirect existing methods, as necessary. These methods must then be translated into action items.

§ 720.304 Agency plan.

(a) *Plan Development.* As part of the affirmative action plan it prepares pursuant to section 501(b) of the Rehabilitation Act of 1973 (29 U.S.C. 791 (b)) (“Section 501(b) Plan”), each Department, agency, or instrumentality in the executive branch must have an up-to-date affirmative action plan for the employment and advancement of disabled veterans.

(1) Each agency must review its plan on an annual basis, together with its accomplishments for the previous fiscal year, updated employment data, and any changes in agency mission or structure, and update the plan as necessary. Agency operating components and field installations required to develop separate plans under paragraph (b) of this section, below, must perform the same type of annual review and update of their plans.

(2) Plans shall cover a time period of not less than one year and may cover a longer period if concurrent with the agency’s Section 501(b) Plan. Each plan

Agencywide plans shall include instructions assigning specific responsibilities on affirmative actions to be taken by the agency's various operating components and field installations to promote the employment and advancement of disabled veterans. OPM must be informed when headquarters offices require plans at the field or installation level.

(2) Agency operating components and field installations must have a copy of the plan covering them, and must implement their responsibilities under it. OPM may require operating components and field installations to develop separate plans in accordance with program guidance and/or instructions.

(c) *Plan Submission.* Affirmative action plans developed under this section shall be submitted to OPM upon request. The Office of Personnel Management will review a selection of agency plans each fiscal year.
